

VOLUNTEER CLEANER

Role Description

Details:

- **Location:** Skanda Vale Hospice, Saron, Llandysul, SA44 5DY.
- **Hours:** Completely negotiable – some volunteers offer time every week, others support on a monthly basis or to prepare or clear up around special events in our calendar.
- **Supported by:** Housekeeping Lead.

Overview:

This role suits people who notice things. Who take quiet pride in doing something well and understand that order, freshness and care in a space change how people feel.

You might be folding warm laundry, resetting a room, or quietly restoring order after a busy day. It's practical, steady work that creates the conditions for care to happen well.

You'll be part of a kind, grounded team who understand that some of the most important contributions don't draw attention to themselves — and who value them all the same.

And yes, it's fun in the way good volunteering often is: familiar faces, good conversation and the simple satisfaction of leaving a place better than you found it. Hours are flexible. Training and support are provided. The impact is real.

At Skanda Vale Hospice, the smallest actions don't just "make a difference" — they make peace possible, comfort easier, and care feel complete.

If that speaks to you, we'd love to hear from you.

What you'll be doing:

- **Cleaning:** Tasks such as sweeping, mopping, dusting, vacuuming, and disinfecting surfaces. This may be in bedrooms, bathrooms or throughout the hospice.
- **Laundry:** Collecting, sorting, washing, drying, folding and distributing fresh laundry ready for use.
- **Waste management:** Disposing of waste, including recycling and handling of hazardous materials, to maintain a clean and sanitary environment.
- **Restocking:** keeping an eye on our cleaning supplies, toiletries and other essentials, and letting our Housekeeping Lead know if we need to restock to ensure supplies are always available.
- **Helping with infection control:** Following our in-house procedures and the use of personal protective equipment when needed.
- **Keeping to health and safety:** Following regulations and procedures, including the safe handling and storage of cleaning chemicals and equipment.
- **Observing and reporting:** Reporting any maintenance issues, safety concerns, or cleaning-related challenges to the Housekeeping Lead.
- **Working as part of a wider team** to keep the building fresh, clean and welcoming.

Qualities and skills:

- **Enthusiasm:** Have an eye for detail to keep the high standards of cleanliness we need throughout the hospice.
- **Reliability:** with a sense of commitment to giving your best.
- **Initiative:** to tackle any areas that need attention.

Training and support:

- Our volunteer Cleaners will receive induction, training on cleaning procedures, infection control practices and health and safety.
- Ongoing support will also be provided by the Housekeeping Lead to ensure they feel confident and capable in their role.
